

POINTS RULES

1) Must sign up using the Driver's Registration Form

You must sign up and pay for points before the 3rd points race to have points from the first two races to count. Anyone signing up after the 3rd points race, points will start on that race and going forward.

2) To Earn Show Up Points

Must complete a tech card and turn it in, especially if your car broke on Saturday. You and your car must be at the track to earn attendance points.

If you change classes mid-season, you need to complete another points registration form for your points to be transferred and continue in the new class.

If you race a different class than your normal class: you may earn attendance points but you will not earn any other points. (Example: The car you normally race is signed up for point in Pro ET and it's broke for the remainder of the season so you decide to race another car in a different class such as Sportsman. You will earn only attendance points, unless it's your mulligan.

3) Mulligan

Anyone can use 1 FREE MULLIGAN per year. If you break your race car and you race in another class; you will receive full points. (Example: your normal class is Pro, your car breaks on Saturday. You run your tow rig in street class on Sunday, you will receive points in the street class for that race and will be added to your Pro points.)

4) Perfect Attendance

If you attend every points race (or tech card turned in because you broke), you will receive an additional 200 points at the end of the season.

How are Points calculated?

100 points for attendance

1, 2, 3 or 4 points is if you win 1st (4 points), 2nd (3 points), 3rd (2 points) and 4th (1 point) in your class
